Policy on Disabled-friendly Environment

Introduction:

This policy is designed as per the decision taken in meeting of IQAC held on 27th October, 2023.

The Government of India formulated the national policy for persons with disabilities in February, 2006 which deals with educational rehabilitation of persons with disabilities. In this connection, the college has implemented these policies in the teaching and learning process, admission process and participation in overall activities of the institution. The policy recognizes that persons with disabilities are valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights and full participation in the academic environment.

The focus of the policy is on the following:

- To ensure that the design of the building such as ramp/ lift should be according to the disabled persons.
- To ensure the accessible, gender-sensitive, safe, usable and functional washroom facilities should be provided for disabled persons.
- To ensure the proper text and pictogram signage such as tactile path, lights, display boards, signposts are necessary, located to be visible and touchable.
