E-governance policy

Introduction:

This policy has been designed as per the decision taken in IQAC meeting held on 20 July, 2019.

In the context of the college, e-governance can be defined as providing its stakeholders the choice to access the information and services as and when they required in simple and amicable way.

The e-governance process also involves the way it works, share information and deliver services to its all stakeholders. Thereof the college policy of e-governance is designed and implemented in the areas of its operation.

Objectives of the e-governance policy:

1. To deliver services in better way and in an affordable cost.
2. To bring transparency and accountability.
3. To empower its stakeholders through information.
4. To improve efficiency in the areas of its operation.
5. To improve interface with all stake holders.
