Knowledge Creation and Transfer Policy

Introduction:

In the view of expectation from the institute of knowledge creation and transfer, the college takes initiative to create knowledge transfer policy in alignment with core values of college. This policy is supposed to monitor, control and retrieve knowledge transfer processes in the college.

Statement: Development of simple and robust procedures of knowledge transfer in the benefit of the stakeholders of the institute

Aims and objectives:

- To motivate the knowledge creation by innovative methods
- To facilitate innovations in knowledge transfer
- To gear up the use of ICT in knowledge creation and transfer

Scope of policy:

The policy is applicable to the all the individuals from the institute involved in procedures and processes of knowledge creation and transfer.

Practices:

- Research committee and publication committee will be responsible for implementation of this policy.

- The college should work out to establish MOUs, linkages and collaborations with industries and institutes to share innovative start-ups and ideas
- The college needs to plan the Promotion of e-publication and development of e-content for the benefit of its stakeholders.
- For the sharing of monetary gain between the institute and individual, the income distribution strategy mentioned in the consultancy policy should be referred.
