Distribution of Scholarship:

The seed money provided by philanthropists was kept in a bank. Few members of scholarship committee are given the responsibility to utilize the interest of Fix deposit for the scholarship. Required amount of interest is used for Merit Scholarship and reaming amount is added to the Principal amount of the fix deposit. It helps to increase the principal amount which gives scope to increase the amount of merit scholarship in upcoming academic years. The philanthropists are also invoked to give amount of scholarship before the distribution of scholarship. The Scholarship is given to students in the prize distribution ceremony.
