The Students' Grievance Committee aims to address and resolve grievances or complaints raised by students. Its primary purpose is to promote a fair, transparent, and supportive learning environment for all students. The cell serves as a platform for students to express their concerns and seek redressal for any issues they may face during their academic journey.

Objectives of the Students' Grievance Cell:

1. Supporting students who feel deprived of entitled college services or facing unfair treatment.
2. Ensuring college officials are accountable, responsive, and courteous in their interactions with students.
3. Providing effective and impartial solutions to students' grievances.

Functions of the Students' Grievance Cell:

1. Receiving and documenting grievances submitted by students.
2. Investigating the nature and details of the grievances in a confidential manner.
3. Mediating between students and departments or authorities to resolve the issues.
4. Taking prompt action to address the grievances and communicating the outcomes to the concerned students.
5. Ensuring procedural fairness and protecting the students' right to be heard and treated without bias.
